OFFICE OF THE CHAIRMAN OF THE BOARD OF TRUSTEES,
FOR THE IMPROVEMENTS OF THE CITY OF MYSORE

Mysore, Dated, 9th December 1907

FROM

D.Sitarama Rao, Esquire,
Chairman of the Board of Trustees,
Mysore City Improvements

To

C.S.Balasundaram Aiyar, Esquire, B.A.,
Offg *Secretary to the Govt of H H the Maharaja*
of Mysore, General & Revenue Departments.

SIR,

I have the honor to submit a copy of a resolution of the Board passed at its meeting held on the 27th ultimo, for favour of approval.

2. In forming extensions, a separate block has not been reserved to meet the demand of those that can afford to build suitable bungalows; and, as the Government is aware, the need of bungalow accommodation in the Mysore City is badly felt by all accustomed to live in bungalows, especially when the City is infected with plague every year. To meet this want an extension was proposed in Chairman's No.61 dated 2nd May 1904, to be created at Vontikoppal. But, on other considerations, it was found not convenient to accord sanction for this extension, vide Government Order No.224-7/Ml.(112-04) dated 6th July 1905, and the subject matter was allowed to be kept in abeyance.

3. It was suggested also in Chairman's No.15 of the 2nd February 1904, to reserve a portion in the Chatnahalli extension for alloting to better classes of houses, and the Government in their proceedings No.3295-6/L.F.36-02 dated 3rd March 1904, approved of the proposal.

Enclosure No Two

Subject

Solicits sanction to the Resolution
No: VI dated the 27th Nov: 1907,
of the Trust Board regarding
the formation of bungalow sites
to the east of the Viceroy Road and
north of Southern most 100 feet
Road in the Improvement City

It is now proposed to divide the area shown in the accompanying plan into 32 bungalow sites of dimensions noted, and allot them to those that are in urgent need of them, binding them to specific terms to raise suitable structures within a reasonable time to be fixed. These sites are proposed to be sold at a fair rate of two annas per square yard. Most of the sites are taken up already and there are some more applications seeking similar sites.

5. A portion of the area now intended to be granted for bungalows was considered eligible for a Normal School to be erected in lieu of the existing building. A fine breezy site measuring nearly 5 acres to the south of the Southermost 100 feet Road, is reserved for the purpose, as shown on the plan.

6. An early sanction to the resolution of the Board is solicited.

I have the honor to be,

Sir,

Your most obedient servant,

Chairman.
